I Lift My Eyes Up

Sonicflood

I lift my eyes up unto the mountains
Where does my help come from?
My help comes from You, maker of Heaven
Creator of the earthI lift my eyes up unto the mountains
Where does my help come from?
My help comes from You, maker of Heaven
Creator of the earthOh how I need You Lord, You are my only hope
You are my only friend
So I will wait for You to come and rescue me
To come and give me life, give me lifeI lift my eyes up unto the mountains
Where does my help come from?
My help comes from You, maker of Heaven
Creator of the earthOh, how I need You Lord, You are my only hope
You are my only friend
So I will wait for You to come and rescue me
To come and give me lifeOh, how I need You Lord, You are my only hope
You are my only friend
So I will wait for You to come and rescue me
To come and give me lifeYou are my only hope
You are my only friend
I will wait for YouCome and rescue me
Come and give me life
I will wait for YouTo come and rescue me
Come and give me life
I will wait for YouCome and rescue me
Come and give me life
I will wait for YouCome and rescue me
Come and give me life
I will wait for You
