

Oh My Goodness

Olly Murs

Ladies and Gentlemen we've got a special treat for tonight
I'm gonna call my friend Olly up here to sing to you ladies
Olly!

Let's go man My name is Olly nice to meet you can I tell you baby

Look around there's a whole lot of pretty ladies

But none like you, you shine so bright, yeah I was wondering if you and me could spend a minute

On the floor up and close getting lost in it

I won't give up without a fight I just wanna, oh baby

I just want you to dance with me tonight

So come on, oh baby

I just want you to dance with me tonight We're getting sweaty, hot and heavy in the crowd now

Loosen up and let your hands go down, down

Go with it girl, yeah just close your eyes, yeah I feel the music moving through your body

Looking at you I can tell you want me

Don't stop keep going till the morning light, yeah When I saw you there, sitting all alone in the dark acting like
you didn't have a care

I knew right then, that you'd be mine, and we'd be dancing the whole damn night right

Oh baby, I just want you to dance with me tonight

So come on, oh baby

I just want you to dance with me tonight Break it down now,

(yeah yeah yeah yeah yeah)

Shake it like that,

(yeah yeah yeah yeah yeah)

Now bring it all back

To dance with me tonight

One more time, one more time, come on now

(yeah yeah yeah yeah yeah)

Do your thing,

(yeah yeah yeah yeah yeah)

Everybody sing

(I just want you to dance with me tonight) I just wanna, oh baby

I just want you to dance with me tonight

Everybody everybody come on now

Girl, just close your eyes

We can dance all through the night,

I just want you to dance with me tonight

And everybody sing

Girl just close your eyes, we can dance all through the night

I just want you to dance with me tonight

So come on girl just close your eyes
We can dance all through the night
I just want you to dance with me tonight
