

# Love To Love You Baby

## Tom Tom Club

I love to love you baby  
When you're laying so close to me  
There's no place I'd rather you be  
    Than with me here  
    I love to love you baby  
    I love to love you baby  
    I love to love you baby  
    Do it to me again and again  
You put me in such an awful spin, in a spin  
    I love to love you baby  
    I love to love you baby  
    I love to love you baby  
    Lay your head down real close to me  
    Soothe my mind and set me free, set me free  
    I love to love you baby  
    I love to love you baby  
  
    I love to love you baby  
    I love to love you baby  
    I love to love you baby  
    I love to love you baby  
When you're laying so close to me  
There's no place I'd rather you be  
    Than with me here  
    I love to love you baby  
    I love to love you baby  
    I love to love you baby  
    Do it to me again and again  
You put me in such an awful spin, in a spin  
    I love to love you baby  
    I love to love you baby
