

# Bless Those

## Living Colour

Bless the butcher  
And bless the baker  
Accountants of bankers  
Jazz men and boxesBless the bored  
And bless the battered  
The worn the torn  
And the tatteredAnd those that can go either way  
Those that can go either way  
Those that can go either way  
Those that can go either wayEither way  
Either way  
Either way  
Either way  
Bless the sculptor  
Bless the destructor  
Bless those who care  
And those who can't be bothered  
Bless the jaded  
And the joiners  
Glamorous, dangerous  
Formless and spinelessFor those that can go either way  
For those that can go either way  
For those that can go either way  
For those that can go either wayEither way  
Either way  
Either way  
Either way solo  
Either way  
Either way  
Either way  
Either way  
Either way  
Bless the ad man  
Bless the bad man  
Bless the jester  
and bless the lawyerBless the ruthless  
Bless the restless  
Bless the angler  
Bless the leglessAnd those that can go either way  
And those that can go either way  
And those that can go either way

And those that can go either wayEither way

Either way
