

500 Degrees (feat. Lil Wayne)

Tyga

Ha, T-Raww, fuck y'all, money talk, dick large
Tyga in my backyard, bitches on my Footon
Dog house, no dog, shoot out Chris Paul
Walkin' on the marble floor, take your fuckin' shoes off
Bitch this is fox fur, killin' shit, fuck a hearse
I could show you my choppa works, she give me head but my head hurt
Deep throat til the bitch burp
Her best friend said let me at me, cousin Lurch
Smoking on that turf, get yo feelings hurt
At yo neck like a collar shirt, ball like a Nerf, word!
Mo' green nigga and smoking pot
Wanna see more? I'm that whore from that lil' shop
Chop, butcher shot, open up yo top
All you see is gold watch, Rolls Royce road block
Sun roof fold up, chrome grill, gold mouth
Take a fuckin' look around (Look around) Bitch I'm all you need
Ha! I say fuck them other niggas, fuck them other niggas
Bitch I'm all you need
Ha! I'm the hottest nigga, all I do is turn a bitch 500 degrees
Ha! I say fuck them other niggas, fuck them other niggas

Over a set a time these shivers are mine
I murder this shit, just taking my time
Got bars, front gate, fake shot, blind date

Ha! I'm the hottest nigga, all I do is turn a bitch 500 degrees

Bitch I'm all you need
Ha! I'm the hottest nigga, all I do is turn a bitch 500 degrees
