Set It Off

Uh huh
It's Iggy Iggs
I got one more problem with you girl
One less one less
ProblemHey baby even though I hate ya
I wanna love ya
I want you
And even though I can't forgive you
I really want ta
I want youTell me, tell me baby
Why can't you leave me?
'Cause even though I shouldn't want it
I gotta have it
I want youHead in the clouds
Got no weight on my shoulders
I should be wiser
And realize that I've gotOne less problem without ya
I got
One less problem without ya
I got
One less problem without yaI got one less, one less problemOne less problem without ya
I got
One less problem without ya
I got
One less problem without yaI got one less, one less problemI know you're never gonna wake up
I gotta give up
But it's you
I know I shouldn't ever call back
Or let you come back
But it's you
Every time you touch me
And say you love me
I get a little bit breathless
I shouldn't want it
But it's youHead in the clouds
Got no weight on my shoulders
I should be wiser
And realize that I've gotOne less problem without ya
I got

One less problem without ya
I got
One less problem without ya I got one less, one less problem One less problem without ya
I got
One less problem without ya
I got
One less problem without ya I got one less, one less problem It's Iggy Iggs
Uh
What you got?
Smart money bettin'
I'll be better off without you
In no time
I'll be forgettin' all about you
You saying that you know
But I really really doubt you
Understand my life is easy
When I ain't around you
Iggy Iggy
To biggie to be here stressin'
I'm thinkin' I love the thought of you
More than I love your presence
And the best thing now
Is probably for you to exit
I let you go
Let you back
I finally learned my lesson
No half-stepping
Either you want it or you just playin'
I'm listening to you knowin'
I can't believe what you're sayin'
There's a million you's baby boo
So don't be dumb
I got 99 problems
But you won't be one
Like what One less, one less problem
One less, one less problem Head in the clouds
Got no weight on my shoulders
I should be wiser
And realize that I've got (I've got) One less problem without ya
I got
One less problem without ya
I got
One less problem without ya I got one less, one less problem One less problem without ya
I got
One less problem without ya

I got
One less problem without ya I got one less, one less problem One less problem without ya
I got
One less problem without ya
I got
One less problem without ya I got one less, one less problem
