

Keep Her

The Saturdays

You told me I'm so special
And I'm the only one you'll
Ever be with and you tell me you'll
Never hurt me and you won't leave
You bought me bags and flowers
So sure that I don't know what
Everything you got going on
Never think that I might be onto you

Boy you got me wrong
'Cause you are not that strong
Shut up and read my lips
'Cause boy you make me sick
And I know what you do
I've had enough you can keep her
Just keep her yeah
'Cause I don't want you

I've seen what you've been up to
I must say I'm surprised you
Ever thought you could fool me babes
Clever ladies don't play this game
You think that you out smart me
You think I'm not aware she
Never calls you when I'm at home
Ever call you the next time you're alone

Boy you got me wrong
'Cause you are not that strong
Shut up and read my lips
'Cause boy you make me sick
And I know what you do
I've had enough you can keep her
Just keep her yeah
'Cause I don't want you

'Cause I don't want you
See I don't need you
She can have you

'Cause I don't want to

You told me I'm so special
And I'm the only one you'll
Ever be with and you tell me you'll
Never hurt me and you won't leave me no

Boy you got me wrong
'Cause you are not that strong
Shut up and read my lips
'Cause boy you make me sick
And I know what you do
I've had enough you can keep her
Just keep her yeah
'Cause I don't want you

Boy you got me wrong
'Cause you are not that strong
Shut up and read my lips
'Cause boy you make me sick
And I know what you do
I've had enough you can keep her
Just keep her yeah
'Cause I don't want you
