A Sudden Death

The Organ

day after day , they gothey go to gain just a little more controland when they took yours awayi couldn't sleep at alli lay in bed for daysi died a sudden deathi made an awful messi didn't stand a chancei didn't stand a chance'cause when we where our besti could care less if people bred themselvesto deathoh, but now that you are gonei just know that everything is wrongdon't leave me alone now....
