Stay

Bernard Butler

These days are wastin' away
The kind I'd rather saveDon't go, stay
Don't go, stayI, I hope it don't rain
The sky is laughing againDon't go, stay this time
Don't go, just stay this timeI know I've gotta move with the times
For you to be mine, for you to be mineI tried to believe what you say
That you won't change if you just stayDon't go, stay this time
Don't go, just stay this timeYou remember that fears on your side
Good people gonna keep you aliveYou remember the tears in my eyes
When all the things you do it blow your mindDon't go, stay this time
Don't, don't go, stay this timeStay, stay, don't go, stay
Don't go, don't go, stay
