

You've Got Another Thing Coming

Judas Priest

One life I'm gonna live it up
I'm takin' flight, I said I'll never get enough
Stand tall I'm, young and kind of proud
I'm on the top, but as long as the music's loud If you think I'll sit around as the world goes by
You're thinkin' like a fool 'cause it's a case of do or die
Out there is a fortune waiting to be had
If you think I'll let you go you're mad
You've got another thing comin'
You've got another thing comin' That's right here's where the talking ends
Well, listen, this night there'll be some action spent
Drive hard callin' all the shots
I got an ace card comin' down rocks If you think I'll sit around while you chip away my brain
Listen I ain't foolin' and you'd better think again
Out there is a fortune waiting to be had
If you think I'll let it go you're mad
You've got another thing comin'
You've got another thing comin'
You've got another thing comin' In this world we're livin' in, we have our share of sorrow
Answer now and don't give in, aim for a new tomorrow Oh so hot no time to take a rest yeah
Act tough ain't room for second best
Real strong got me some security
Hey, I'm a big smash I'm goin' for infinity yeah! If you think I'll sit around as the world goes by
You're thinkin' like a fool 'cause it's a case of do or die
Out there is a fortune waiting to be had
If you think I'll let you go you're mad
You've got another thing comin'
You've got another thing comin'
You've got another thing comin'
You've got another thing ahh Comin' on now
You've got another thing comin'
Yeah yeah yeah yeah You've got another thing comin'
You've got another thing comin'
You've got another thing comin'
You've got another thing comin' You've got another thing comin'
You've got another thing comin'
You've got another thing comin'
You've got another thing comin' You've got another thing comin'
