Omarion

Breezy (your chick)Your chickIf your chick come close to me

She ain't going home when she post to be (no)

I'm getting money like I'm post to be

I'm getting money like I'm post to be, oh

All my niggas close to me

And all them other niggas where they post to be oh

The hoes go for me

Have your chick send a pic like pose for me (oh)

That's how it post to be

Yo that's how it post to be (oh)

Yo that's how it post to be

Everything good like it post to bePull up to the club and it go up (go up)

Make your girl fall in love when I show up

It's not my fault she wanna know me

She told me you was just a homie

She came down like she knew me

Gave it up like a groupie (true)
