

# Send It On

Miley Cyrus

A word's, just a word  
'Till you mean what you say  
And love, isn't love  
'Till you give it away  
We've all got to give  
Yeah something to give  
To make a change  
Send it on  
On and on  
Just one hand can heal another  
Be apart  
Reach your heart  
Just one spark starts a fire  
With one little action  
The chain reaction will never stop  
Make it Strong  
Shine a Light and Send it On  
Just smile (just smile)  
And the world (and the world)  
Will smile along with you  
That small act of love  
That's meant for one will become two  
If we take the chances  
And change circumstances  
Imagine all we can do  
If we...  
Send it on  
On and on  
Just one hand can heal another  
Be apart  
Reach your heart  
Just one spark starts a fire  
With one little action  
  
The chain reaction will never stop  
Make it Strong  
Shine a Light and Send it On  
Send it on  
There's Power in all of the choices we make

So i'm starting now there's not a moment to wait

A word's, just a word

'Till you mean what you say

And love, is no love

'Till you give it away

Send it on

On and on

Just one hand can heal another

Be apart

Reach your heart

Just one spark starts a fire

With one little action

The chain reaction will never stop

Make it Strong

Shine a Light and Send it On

Send it on

Send it on

On and on

Just one hand can heal another

Be apart

Reach your heart

Just one spark starts a fire

With one little action

The chain reaction will help things start

Make it Strong

Shine a Light and Send it On

Shine a Light and Send it On

Shine a Light and Send it On
