

Secret Silk Society

Peter Murphy

Secret silk society
Secret silk society
Secret silk society
Secret silk society Who is wise? why, our hearts
Made for passing the lotus tree
It is very, very far
Very far indeed Oh, thirst, and yet
Astonished we
We seesaw soul
In another place Secret, secret Is love as traveling?
Under the dappled glade
Arched embracer trees
Who is wise? who is wise? Who is wise? Who is wise?
Why, our hearts
Who is wise?
Why, our hearts
Who is wise? (secret silk society)
Why, our hearts (secret silk society)
Who is wise? (secret silk society)
Why, our hearts (secret silk society)
Oh, secret silk society
Secret silk society
Secret silk society
