

# Woman (single version)

## Anti-Nowhere League

Woman  
I'm in love in you  
My love is deep  
My love is true  
To you, woman, I'm in love Your hair's so soft  
Your eyes are blue  
Your skin is warm  
And I'll be true to you  
Woman, I'm in love with you You came to me in a dream, I'm sure  
You gave your love, you gave much more to me  
Woman  
Will you marry me? Do you take this woman  
To be your lawful wedded wife  
To love and to cherish  
And in sickness and in health  
Till death do you part?  
I do. Till death us do part [6x]  
What's that you just said to me  
You didn't love me like this yesterday  
Woman  
I don't understand And what's that you did say to me  
I guess this love is just more to me  
Woman  
You're annoying me Yeah, you're sitting on your arse in your dirty clothes  
You're looking a mess, you're picking your nose  
Woman  
You're a fucking mess Your tits are big but your brains are small  
Sometimes I wonder you got any brains at all  
Woman  
Ah stuff yourself Well fuck you, fuck you  
Don't you tell me what to do  
Woman  
Ah fuck off I've got my deed, I've married you  
What did I do to deserve you?  
Woman  
Why me? Woman  
Woman  
Woman  
Woman

Woman  
I hate you
