

# Best Friend (Olympic Mix)

## The Drums

You're my best friend  
But then you died  
When I was 23 and you were 25 You're my best friend  
But then you died  
And how will I survive, survive  
Survive, survive?  
Oh how will I survive, survive  
Survive, survive? And every day I waited for you  
And every day on the top of your car  
Every day I waited for you  
And every day on the hood of your car I had a dream of you  
You were drifting away  
You were sad and the ocean dripped away And I know, you're gonna be OK  
'Cuz I can see in your eyes  
Your eyes, your eyes, your eyes  
Oh no no no, I wanna survive  
Survive, survive, survive. And every day I waited for you  
And every day on the top of your car  
Every day I waited for you  
And every day on the hood of your car And every day I waited for you  
And every day on the top of your car  
Every day I waited for you  
And every day on the hood of your car
