

Don't Wanna Hear It

[Lindi Ortega](#)

Nothing you could say
Make me change my mind
I don't have the patience
I don't have the time
Go ahead and sing
Your sad little song
Before you finish the first verse, baby
I will be long gone I don't wanna hear it
I don't wanna hear it
Honey, it's no use
I don't need to hear another sorry, sad, lame excuse
Every word you say
Makin' my ears bleed
I can't stand to stand here so I'm gonna
Turn around and leave
Can't you take a hint
Won't you get a clue
You're preaching to the non-believer
Who don't believe in you I don't wanna hear it
I don't wanna hear it
Honey, it's no use
I don't need to hear another sorry, sad, lame excuse You can go ahead and beg if you want
You can get down on your knees and show me what you've got
You can say you're sorry but it won't change a thing
Your stupid little words won't take away the sting
I don't wanna hear it
I don't wanna hear it
Honey, it's no use
Well, I don't need to hear another sorry, sad, lame
I don't need to hear another sorry, sad, lame
I don't need to hear another sorry, sad, lame excuse
