Ivy Ivy Ivy

Primal Scream

Ivy, you're a girl that I can never taste
I get violent feelings when I see your face
You're so warm and beautiful and soft and kind
I close my eyes but you're still shining in my headOh, Ivy, IvyYou eat me away every night everyday
My dreams are nightmares like heads are tails
I can see and hear you
I just can't get near youIvy, Ivy, oh, you destroy me, yes, you do
Ivy Ivy, oh, you destroy me, yes, you doIvy, you're a thousand girls tormenting me
My minds a hall of mirrors where you're all I see
I get sicker by the second you're my lifelong curse
My egg shell head is your to break I feel like dirtOh, Ivy, IvyYou mainline me stars and you scratch and you scar
I'm a fool for your jewels, it's true
I'm burned out I'm damaged
You're so sweet and savageIvy, Ivy, you destroy me
Ivy, Ivy, you destroy me
Ivy, Ivy, you destroy me
Ivy, Ivy, you destroy meIvy, Ivy, you destroy me
Ivy, Ivy, you destroy me
Ivy, Ivy, you destroy me
Ivy, Ivy, you destroy me
You doYou touch me you chill me
You smile and you kill me
You kiss me, you crown me
You twist me, you drown me
