

# The Title Track

## The Fold

It doesn't work that way  
You've seen enough to know better  
Better recalculate this  
This time use your heart and not your mind Maybe you just don't get it  
And you've worked too hard to throw it all away  
You're just not ready, baby  
To start over again Set, set, set, now you're ready to go  
Couldn't make it better if it never belonged  
Take your time, figure it out  
It's a call to all the pain, this too shall pass Well find a brand new way  
You've seen enough to do better  
When you recalculate it  
Darling, use your heart Maybe you just don't get it  
And you've worked too hard to throw it all away  
You're just not willing baby  
To start over again Set, set, set, now you're ready to go  
Couldn't make it better if it never belonged  
Can take your time, figure it out  
It's a call to all the pain, this too shall pass  
This too shall pass, this too shall pass Ain't it funny how we starve for our salvation  
Maybe it was there in front of you  
Searching in the strangest of all places  
Maybe it was there beside you, know that this will pass All dressed up and you're ready to go  
Couldn't make it better if it never belonged  
Take your time, figure it out  
Can't take away the pain, but it will pass, this too shall pass Set, set, set, now you're ready to go  
Couldn't make it better if it never belonged  
Take your time, figure it out  
It's a call to all the pain Set, set, set, now you're ready to go  
Take your time, figure it out  
It's a call to all the pain, this too shall pass  
This too shall pass, this too shall pass
