

Not Going Home (Armin van Buuren Remix)

Faithless

A simple tension, a run through my chest,
My simple intention tonight may not rest
Till I invest this proceedings with Vega and zest?
And trigger witness under your vest
Test your fitness
Special request to my love interest
Impressed, I watch the rhythm slide wrap(write?) up our dress
I watch the rhythm slide wrap up your dress
I watch the rhythm slide wrap up your dress And just in case of my madness
Go ? to this black ? like ? it's just attack-less[Chorus]
Its not over, I'm not going home till I can take you with me, I'm not going home
Its not over, I'm not going home till I can take you with me, I'm not going home
Its not over, I'm not going home till I can take you with me, I'm not going home
Its not over, I'm not going home till I can take you with me, I'm not going home
Come with me Outside the club there is a line of taxi
I want you to climb next to me
Upon the backseat (on the backseat* on the acid mix)
I need your company to relax me
In your black dress you never look less than sexy
(I wanna know just how you come so sexy) in Original remix and Acid mix
That we both here together has profound meaning
I'm so down with you
I can feel you breathing, upon my skin,
Tell the doorman we wont be leaving
? another one and then we wont be (needy/leaving) You give me something to believe in
Now, kiss me properly and stop your teasing[Chorus]
