

# Do You Feel Alive

## Room 94

Got caught red handed  
It was my own blood  
I liked the way it sounded  
Your tongue shot me like a gun!  
Hanging on to every word you're saying  
You was cheating in the game we're playing  
Paint my heart with a jet black crayon,  
I packed my back but I guess I'm staying! Do you feel alive, cause I'm just living for this feeling. Do you feel  
alive, coz my heart is barely beating,  
Burning like a shooting star, flying through the dark.  
Some trip got lost so far. Do you feel alive  
Scream at the top of your lungs! Got caught red handed  
It was my own fault  
I know we didn't plan it  
But it was a lot of fun!
