Too Deep for Tears

Crystal Gayle

Now every since you went away
I've overheard some people say
She's taking it well I hearSome hurt can make you cry
Some make you wanna die
Some just goes too deep for tearsLike on the day my daddy died
Mommy never even cried
Just whispered in my earSome hurt can make you cry
Some make you wanna die
Some just goes too deep for tearsEver since you said goodbye-ye
How I wish that I could cry
How I wished and wished that I
Break down way down insideBut maybe I will find away
And I get over you someday
But I know that may take yearsSome hurt can make you cry
Some make you wanna die
Some just goes too deep for tearsSome hurt can make you cry
Some make you wanna die
Some just goes too deep for tears
Some just goes too deep for tears
