

Down On the Bay (Remastered)

The Move

Ah, sweet little lady
Used to drive me crazy
Had to stick around to play Down on the bay, that's where I stay
The clouds are gray, down on the bay
But that's my home
I can't leave my woman alone Don't know what I'm missing
But I wouldn't miss the kissing with Lily
'Cause she looks so fine Down on the bay, that's where I stay
The clouds are gray, down on the bay
But that's my home
I can't leave my woman alone Well, I'm walking with my Lily
Down a road, that's pretty chilly
But she makes it like a summer day Down on the bay and that's where I stay
And the clouds are gray, down on the bay
But that's my home
I can't leave my woman alone You sure look so delighted
And I'm getting so excited
Every time you start to play Down on the bay, that's where I stay
The clouds are gray, down on the bay
But that's my home
I can't leave my woman alone Down on the bay, that's where I stay
Down on the bay, that's where I stay Down on the bay, that's where I stay
I said, down on the bay, that's where I stay
Down on the bay, I said, that's where I stay
Down on the bay, that's where I stay Down on the bay, that's where I stay
Down on the bay, that's where I stay
Down on the bay, alright, that's where I stay Down on the bay and that's where I
I said, down on the, that's where I
