

Do You Wanna

Modern Talking

I hear your heartbeat, heartbeat, heartbeat
Playing with my mind
Oh, I need you wrapped around me
Just like I be on a veil
But now I'm only lonely, lonely
Holding on to you
Oh, I need you back here with me yeah
I think you want it too
Now I feed you with a new emotion
Heal you when you cry
I'll be your loving doctor of the night Do you want to take me tonight
Do you want to make me at night
Do you want to, if you want to, take what you need Do you want to make it alright
Do you want to heaven is tonight
Oh baby, do you want to, if you want to, take what you need I hear your heartbeat, heartbeat, heartbeat
Begging for more
Oh, I need to hear that question
Like a dancer needs the floor
And now you're only, only, only
Holding on to me
Oh, now tell me that you're coming back
One word is all I need
Now I feed you with a new emotion
Heal you when you cry
I'll be your loving doctor of the night
