Chorus:
For you my love,
I would try to be
A better man, a better man,
For you my love,
I would try to be
A better man, a better man.Tango, Whisky, Chicks getting risky,
Walk in the club and they're tryin' to frisk me,
Mayday, mayday, over, over,
Spread the word from here to Dover,
We bring luck like a four leafed clover,
Don't rub it the show ain't over,
Situation, mad frustration,
Complication from nation to nation,Chorus:
For you my love,
I would try to be
A better man, a better man.Boards that are stoppin' me, my monotony,
Don't bother, do it If you can't do it properly,
Try to get with the master program,
Keep your head straight, be a strongman,
Mayday, mayday, over, over,
Don't rub it the show ain't over,
Mayday, mayday, over, over,
Spread the word from here to Dover,
Lost in space, wind on my face,
Crowds get hyped when I walk in the place,
Mum used to say it's just a phase
Once again with the brand new craze,
Keep it up til my dying days,
Leave you stuck in the Crystal Maze,
Sting your head like the purple haze,
Find it so hard to change my ways,Chorus:
For you my love,
I would try to be
A better man, a better man,
For you my love,
I would try to be
A better man, a better man.Cool things down, walk with my frown,
Moving around and talk with the sounds,

Clean with the game, tell me your name,
Live with the pain or fight with the strain,
Twist with the pack, fill with a snack
Scratch on the back and puff with slack,
Move with the groove, roov to the smooth
Vinyl and .....?
Nothing to do, prove tll I groove,
What you gonna do when they come for you?
Cool things down, walk with my frown,
Moving around and talk with the sounds,
Clean with the game, tell me your name,
Live with the pain or fight with the strain,
Or with a catch, edge when I hatch,
Can you ever tell who's the best in the batch?Chorus:
For you my dear,
I would try to be,
A better man, a better man,
For you my love,
I would try to be,
A better man, a better man.
