Swim Deep

One, two, three, four!It's time to wake up... Isn't it?
Cause Yeah I've been away... Just visiting
I've had my hopes up baby, when I was under
I got my hopes up lately, when I was underYeah!
There's nothing left
But time in the world
A second guess
Looks fine to me girl
I just wanna know
Was it a day? (Was it a day?)
Or was it forever?
Cause I've found the place
The sun shines forever
Sweet dreams until you wake up
Eyes closed with visions you make up
Oh I had my hopes up baby, when I was under
I've had my hope up Daisy, when I was underYeah!
There's nothing left
But time in the world
A second guess
Looks fine to me girl
I just wanna know
Was it a day? (Was it a day?)
Or was it forever?
Cause I've found the place
The sun shines foreverAnd Was it a day?
Or was it forever?
Cause I've found the place
The sun shines forever
And Was it a day?
Or was it forever?
Cause I've found the place
The sun shines forever
