Livin

Currensy

I like livin' this kinda life
I'm livin' a blessed life
I like livin' this kinda life
I'm livin' a blessed lifeI like livin' this kinda life
I'm livin' a blessed life
I like livin' this kinda life
I'm livin' a blessed lifeI can speak to mountains, they will be moved
I can speak to dreams, they will come true
I can tell my troubles to get away
God gave me the power to make my dayI'm no longer walking on sinking sand
I'm just steady resting in my Father's hands
I'm blessed when I come and when I go
Everyday I'm livin', livin' in the overflowI like livin' this kinda life
I'm livin' a blessed life
I like livin' this kinda life
I'm livin' a blessed lifeI can speak to mountains, they will be moved
I can speak to dreams, they will come true
I can tell my troubles to get away
God gave me the power to make my dayI'm no longer walking on sinking sand
I'm just steady resting in my Father's hands
I'm blessed when I come and when I go
Everyday I'm livin', livin' in the overflowI like livin' this kinda life
I'm livin' a blessed life
I like livin' this kinda life
I'm livin' a blessed lifeI like livin' this kinda life
I'm livin' a blessed life
I like livin' this kinda life
I'm livin' a blessed lifeI'm blessed when I come and when I go
Everyday I'm livin', livin' in the overflowI like livin' this kinda life
I'm livin' a blessed life
I like livin' this kinda life
I'm livin' a blessed lifeI'm livin', I'm livin'
Oh, I'm blessed
I'm livin'
I'm livin' a blessed lifeI'm livin', I'm livin'
Oh, I'm blessed
I'm livin'
I'm livin' a blessed lifeI'm livin' a blessed life
I'm livin' a blessed life
