

I Can't Help It (If I'm Still In Love With You)

The Statler Brothers

Oh, I can't help it if I'm still in love with you
Today I passed you on the street
And my heart fell at your feet

I can't help it if I'm still in love with you Somebody else stood by your side
And you looked so satisfied

I can't help it if I'm still in love with you A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
And suddenly I got that old time feeling

I can't help it if I'm still in love with you It's hard to know another's lips have kissed you
And held you close the way I used to do
Heaven only knows how much I miss you
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you
