

Smoke

[Natalie Imbruglia](#)

My lullaby
Hung out to dry
What's up with that?
It's overWhere are you, Dad?
Mum's lookin' sad
What's up with that?
It's dark in hereWhy bleeding is breathing?
You're hiding underneath the smoke in the room
Try, bleeding is believing
I used toMy mouth is dry
Forgot how to cry
What's up with that?
You're hurting meI'm running fast
Can't hide the past
What's up with that?
You're pushing meWhy bleeding is breathing?
You're hiding underneath the smoke in the room
Try, bleeding is believing
I used to, I used toWhy bleeding is breathing?
You're hiding underneath the smoke in the room
Try, bleeding is believing
I saw you crawling on the floorWhy bleeding is believing?
You're hiding underneath the smoke in the room
Try, bleeding is believing
I saw you crawling to the doorWhy bleeding is breathing?
You're hiding underneath the smoke in the room
Try, bleeding is believing
I saw you falling on the floor
