I Like the Way (The Kissing Game)

Hi-Five

I like the way
I, I like, I like the way
I like the wayAll summer long we've been together
And I never felt so good
'Cuz when I'm with you
You're such a good time, yes it isAnd when you get next to me
You make my heart beat fast
You throw me bad when you smile
And when we're alone, I know we're in love
'Cuz I can't get enough, 'cuz(I like the way)
You kiss me when we're playing the kissing game
(I like the way)
You keep me looking forward to another dayWe've got it good, we have it all it seems
We're living dream, yeah
This is our time, this wasn't meant to be
Just you and meThis is still new
We're still young in heart and breakin' too
But I know our love
Will always be there(I like the way)
You kiss me when we're playing the kissing game
(I like the way)
You keep me looking forward to another day, baby, yeah(I like the)
Keep me looking forward to another day
(I like the way)
Another day
(I like the)
Oh, I like(I like the way)
The way you make me feel, baby
(I like the way)
I like the way, the way you love me, baby(I like the way)
You kiss me when we're playing the kissing game, oh, my
(I like the way)
You keep me looking forward to another day(I like the way)
I like you, you know
You kiss me when we're playing the kissing game
(I like the way)
I like it
You keep me looking forward to another day(I like the way)
(I like the way)

(I like the way)
