

How About You

Frank Sinatra with Tommy Dorsey and His Orchestra

When it comes to lovin'
Has it always let you down?
Every time you've fallen in
Did someone else fall out?
I know about that
That's the only kind of love I ever had
Ooh, I need somethin' to hold on to
How about you?
Could you tell some stories
About stories you've been told?
All the lines your heart's been thrown
And all the times it broke
I know about that, I don't wanna go
Through that again, oh no, no no
Ooh, I need somethin' to hold on to
How about you?
How about you and me get together

And help each other forget
All the love we went through
To get to the one we ain't had yet?
Oh yeah
Ooh, I've got a feeling
And if you can feel it too
We won't have to look too hard
To find somebody new
How about that?
I think you know
Just what I'm getting at
Yeah, you know
Ooh, I need somethin' to hold on to
How about you?
Ooh, I need somethin' to hold on to
How about you?
How about you?
