

# Black Night

[Buddy Guy](#)

No one cares about me  
No, I ain't even got a friend  
Well, my baby's gone and left me  
When will my troubles end? Black night is falling  
Oh, I hate to be alone  
Well, I'm crying for my baby  
Another day is gone Got no one to talk with  
To tell my troubles to  
I don't even know the minute  
Baby, since I lost you Black night is falling  
Oh, I hate to be alone  
Well, I'm crying for my baby  
Another day is gone Well my mother has her troubles  
My father has them too  
My brother sent to rehab  
And I don't even know what to do Black night is falling, yeah  
Oh, I hate to be alone  
Well, I'm crying for my baby  
Well, I'm crying for my baby  
Another day is gone
