Fingers

The Seatbelts

I'm alone now, starin' at the ceiling
I'm kinda bored now, I can't sleep
And you and me can't make my life complete
And when you come, you slip into a dreamWhen it's late at night and you're fast asleep
I let my fingers do the walking
I press record, I become a phene
And no one else is watching
I let my fingers do the walkingI'm starvin' for some attention
I'm beggin', pleadin', bleedin' for a suggestion
I bite my tongue because I wanna scream
I'm almost there and you turn, and look at meWhen it's late at night and you're fast asleep
I let my fingers do the walking
I press record, I become a phene
And no one else is watching
I let my fingers do the walkingRewind and you will see
Why in the mornin' I'm happy
Right there on the TV screen
Me vengo, me vengoI'm restless, you need some caffeine
But I'm wasted if you could only see
'Cause I need more than you are gonna giveWhen it's late at night and you're fast asleep
I let my fingers do the walking
I press record, I become a phene
And no one else is watchingWhen it's late at night and you're fast asleep
I let my fingers do the walking
I press record, I become a phene
And no one else is watching
I let my fingers do the walking
I let my fingers do the walking
