

# Need To Feel (Demo)

## Soil

Tell me what you want to be, and I'll take you there  
Tell me where you want to be, and I'll take you there  
Tell me how you want to feel, don't keep it from me  
Tell me how it outta be through more than a stare  
Show me what you want to be, don't hide it from me  
Show me where you want to be, and I'll take you there  
Show me how you want to feel, don't keep it from me  
Show me how it outta be through more than a stare I just want to see you  
And I just want to hear you  
And I just need to feel you  
So stand up Tell me who you are  
Tell me where you want to be  
Tell me how you feel  
Show me how it outta be  
Take a little piece of me and hang it from the right tree  
Share a little piece of me and I'll keep you as a part of me You are my all  
You are my everything
