If You Say So

Lea Michele

It's been seven whole days, seven whole days
Since you paralyzed me.
Seven whole days, seven whole days
Since you lost your fight.
And I can't get the last words that you said,
Can't get those words out of my head.
Seven whole days, seven whole daysÂ and four words.And I can't get away from the burning pain,
I lie awake.
And the fallen hero haunts my thoughts,
How could you leave me this way?It's been seven whole days
Without your embrace.
I wanna see your face,
I got some things to say.
Was just a week ago,
You said, "I love you girl."
I said, "I love you more."
Then a breath, a pause, you said,
If you say so.
If you say so.
If you say so.
If you say so.It's been seven whole days, seven whole days
Since I heard the phone ring.
Seven whole days, seven whole days
Since I heard your voice.
And I can't get the last words that you say,
Can't get those words out of my head.
It's been seven whole days, seven whole daysÂ of pure hurt.And I can't get away from the burning pain,
I lie awake.
And the fallen hero haunts my thoughts,
How could you leave me this way?It's been seven whole days
Without your embrace.
I wanna see your face,
I got some things to say.
Was just a week ago,
You said, "I love you girl."
I said, "I love you more."
Then a breath, a pause, you said,
If you say so.
If you say so.

If you say so.
If you say so.I can't believe it's true,
I keep looking for you,
I check my phone and waitÂ to hear from you.
In the crowded room
The joker is so cruel.And now I'll never know,
If all I've been told,Â is just a lie so bold,
I thought we would grow old.
Mirrors in the smoke
Left me here to choke.It's been seven whole days
Without your embrace.
I wanna see your face,
I got some things to say.
Was just a week ago,
You said, "I love you girl."
I said, "I love you more."
Then a breath, a pause, you said,
If you say so.
If you say so.
If you say so.
If you say so.
