

If You Say So

Lea Michele

It's been seven whole days, seven whole days

Since you paralyzed me.

Seven whole days, seven whole days

Since you lost your fight.

And I can't get the last words that you said,

Can't get those words out of my head.

Seven whole days, seven whole days and four words. And I can't get away from the burning pain,

I lie awake.

And the fallen hero haunts my thoughts,

How could you leave me this way? It's been seven whole days

Without your embrace.

I wanna see your face,

I got some things to say.

Was just a week ago,

You said, "I love you girl."

I said, "I love you more."

Then a breath, a pause, you said,

If you say so.

If you say so.

If you say so.

If you say so. It's been seven whole days, seven whole days

Since I heard the phone ring.

Seven whole days, seven whole days

Since I heard your voice.

And I can't get the last words that you say,

Can't get those words out of my head.

It's been seven whole days, seven whole days of pure hurt. And I can't get away from the burning pain,

I lie awake.

And the fallen hero haunts my thoughts,

How could you leave me this way? It's been seven whole days

Without your embrace.

I wanna see your face,

I got some things to say.

Was just a week ago,

You said, "I love you girl."

I said, "I love you more."

Then a breath, a pause, you said,

If you say so.

If you say so.

If you say so.
If you say so.I can't believe it's true,
I keep looking for you,
I check my phone and wait to hear from you.
In the crowded room
The joker is so cruel.And now I'll never know,
If all I've been told, is just a lie so bold,
I thought we would grow old.
Mirrors in the smoke
Left me here to choke.It's been seven whole days
Without your embrace.
I wanna see your face,
I got some things to say.
Was just a week ago,
You said, "I love you girl."
I said, "I love you more."
Then a breath, a pause, you said,
If you say so.
If you say so.
If you say so.
If you say so.
