

Pipedown (Live at The S.E.C.C.)

Babyshambles

Oh Paddy put the pipe down
If you got the right sound
If it's not the right sound
Then neither am I, oh my oh my Do your sums
Work out a fairer way
If it comes undone
Just paper over the cracks
And there ain't no turning back Oh on The Sun
They make you out to be a tearaway
Comes undone
Ah I just spoke to Matt
Pat, they want the money back Ah put the pipe down
If you got the right sound
If it's not the right sound
Oh my Oh my Oh my Do your sums
Work out a fairer way
Can you play no fun
Oh what you think of that
Cause they wanted but You better pipe down
You got the right sound
Put the pipe down
Oh my Oh my Oh my Na, na-na, na-na Oh Paddy put the pipe down
If you got the right sound
If it's not the right sound
Neither am I, oh my oh my Oh Paddy put the pipe down
If you got the right sound
If it's the right sound
Oh my Oh my Oh my
