Oh Sheit It's X (Radio Edit)

Thundercat

The room is spinning
And I'm not winning
It's about 3:42
And I don't know where the bathroom is
My friends like you should eat something
But I'm not hungry, just gonna keep dancing in this corner, baby
This song is jammin'
So let's just slide on the dance floor, baby
Are you for dance floorI just wanna party, you should be here with me
In this ecstasy, baby
I just wanna party, you should be here with me
In this ecstasy, baby
I just wanna party, you should be here
I'm on ecstasy, baby
I just wanna party, you should be here with me
In this ecstasy, babyWho are you, are you talking so loud
I forgot you was my friend
Your purse is nice baby, is it leather?
Or could it be suede
I'm confused as hell, stuck in pattern grid world
Don't want it to stop
Uhh
Oh shit, I'm fucked upI just wanna party, you should be here with me
In this ecstasy, baby
I just wanna party, you should be here with me
In this ecstasy, baby
I just wanna party, you should be here
I'm on ecstasy, baby
I just wanna party, you should be here with me
In this ecstasy, baby
