

# Have Some Fun

## Pitbull

All I wanna do is have some fun  
I got a feeling, that Im not the only one  
All I gotta do is take you home  
I got a feeling, this party has just begun  
Its all I want  
I got a feeling, that Im not the only one  
Its all I want  
And I got a feeling, that youre gonna give me some  
Its all I want  
Baby, its all I want You know the type of women that I like  
The ones that understand my life  
The ones that understand wrong is right  
Lets do some wrong tonight  
You name it Ill do it, all is the fluid,  
Im Spanish in fluent, that means my tongue is bilingual  
Ready to play with that spot that you tingle  
Uh got a dingo, shes a star, Ringo  
Her and 2 friends? Mmm, I like that lingo  
She asked if Im single,  
I said of course not, and she loved it  
Next thing you know, we were both having fun in public  
Hahaha All I wanna do is have some fun  
I got a feeling, that Im not the only one  
All I gotta do is take you home  
I got a feeling, this party has just begun  
Its all I want  
I got a feeling, that Im not the only one  
Its all I want  
And I got a feeling, that youre gonna give me some  
Its all I want  
Baby  
Its all I want You know I love an open mind  
(mind)  
So I can see what you thinking  
(thinking)  
That way I could give you exactly what you want  
Matter of fact what you drinking  
Some call it pimping, I call it leverage  
I call it slipping, they call it marriage

She got me up like the Eiffel tower  
No Paris, momma you can fuck like the rabbits  
But no diamonds, no carrots  
She asked if I was single, I said of course not  
And she loved it  
Next thing you know, we were both having fun in public  
All I wanna do is have some fun  
I got a feeling, that Im not the only one  
All I gotta do is take you home  
I got a feeling, this party has just begun  
Its all I want  
I got a feeling, that Im not the only one  
Its all I want  
And I got a feeling, that youre gonna give me some  
All I wanna do is have some fun  
I got a feeling, that Im not the only one  
All I gotta do is take you home  
I got a feeling, this party has just begun  
Its all I want  
I got a feeling, that Im not the only one  
Its all I want  
And I got a feeling, that youre gonna give me some  
Its all I want  
Baby its all I want  
Baby Its all I want  
Its all I want  
Baby its all I want
