

# Lost Inside of You

## One Way

Every day my need grows stronger for you  
Your love became a means of survival  
It's gone too far for me to change my mind  
I'm drifting out on your love  
My life would end if we should part

(CHORUS)

I'm lost inside of you  
Girl I don't know what to do  
But love you more

Everyday my need grows stronger for you  
Your love became a means of survival  
It's gone too far for me to change my mind  
I'm drifting out on your love  
I drift into each day with you

(Chorus)

I'm lost inside of you  
Girl i don't know what to do  
but love you more
