

# Age (BBC Radio One "John Peel" Session 6/11/1978)

## X-Ray Spex

Darling am I  
I must be told  
Tell me dear  
Getting old Y'know it's a  
Million dollar fear  
Creep in over here  
If lines Celluloid beauty She never seems to realise  
Age she's so afraid  
Age she's not the rage  
Never dies
