Coup De'tat

Level 42

On the border There's disorder Now they've gone too far Wait for the coup d'etat Fragmentation We don't know who we are Wait for the coup d'etatNo choice Look what we've become World peace At the point of a gun The voice That calls everyone Says fight For a place in the sunProud man's daughter Came through slaughter But she still bears the scars Wait for the coup d'etat Declaration 'cross the nation Hailed as a rising star Wait for the coup d'etatToo late To make any plans The state Has met her demands We wait
