## Danny Brown

The Hybrid smoking on Papaya  
That give you niggas bronchitis, what you write is all vagina  
What I write is Wall of China  
Nigga that's great like eighths of Grape Ape  
Getting stuffed in my suitcase  
Ready to hit the studio and shit all on your mixtape  
Nah, literally, shit all on your mixtape  
Wipe with the credits, leave stains on the Jewel case  
In just two takes, dog, the booth'll get soufflé  
You're hiding something like a toupee  
Truthfully, my friend, touché  
You gon' get exposed like an up-and-coming model  
And to me your label seems like one of them pageant mommas  
So guess who's the little bitch? That's you  
You must suck a lot of dick, that's true  
I misuse with issues and pistols  
Mind racing like Bristol heart of igloos  
My nigga, you ain't been what I been through  
And if so, you'd take a pencil through your temple  
Cause I done served fiends on they menstrual  
Ain't even have pads, stuffed they panties with tissue  
Hit the ave cause they mouth ain't bleeding  
And your style's like fried chicken without the seasoning  
Nigga, that's bland fuck you up and ya mans  
I smack you like a bitch, nigga, that's open-hand  
Fuck you and your tough talk  
When I monopolize I throw your ass off the boardwalk  
Fag, you ain't play sports but always at the ball park?  
Type of nigga rocking Crocs at the fucking Walmart?  
Drunk like Stallworth, riding in the fiend car  
Get flicked, guess what? I'm running from this fiend car  
I know a nigga dirty and got the hammer  
But this kush got me high like Pac bandanna I'm a smart nigga that do dumb shit  
In your baby momma crib, not flushing after I piss  
I'm Ferris Bueller with Frank Muellers, you blank shooters  
On stank hooters, I'm in Aruba sipping wine cooler  
Mind ruler, sort of like hypnotism  
That's why these white bitches wanna get with him  
I smack it, flip it, like Mike Bivins

But to me your flow's like Ronny DeVoe's  
My hoes got toes in expensive high heels  
Your hoes' toes is fucked--beauty supply sandals?  
Handle any situation  
I smoke blunts to the face to stay motivated  
Irritated when I'm not sedated  
Fuck her face like I was obligated  
And still fucking with them freak hoes  
Stank pussy smelling like Cool Ranch Doritos
