

Army of Two

[Olly Murs](#)

I came, I saw, tore down these walls
Block one way, I'll find another
You know you'll always be discovered
If it's me, you choose, I can't lose
I'm in love with you if you love me too, yeah Don't ever change, and I'll stay the same
We'll be swimming in the same direction
And we'll never lose this connection
Nothing they can do can stop this army of two
We're marching to the future, yeah, it's me and you So just follow my lead, repeat after me
Our faith is the bullet, hope is the gun
And love is all we need
Now fear's on the run
We've already won
Now march with the band, raise your right hand
We've only just begun I took a vow to never let you down
When it's us, there ain't no competition
I can be the star on which you're wishing
I never doubted for a moment it's true
I love all of you if you love me too, yeah Don't ever change, and I'll stay the same
We'll be swimming in the same direction
And we'll never lose this connection
Nothing they can do can stop this army of two
We're marching to the future, yeah, just me and you So just follow my lead, repeat after me
Our faith is the bullet, hope is the gun
And love is all we need
Now fear's on the run
We've already won
Now march with the band, raise your right hand
We've only just begun Only just begun, only just begun, only just begun So don't ever change, and I'll stay the same
We'll be swimming in the same direction
And we'll never lose this connection
Nothing they can do can stop this army of two
'Cause we're marching to the future, it's me and you So just follow my lead, repeat after me
Our faith is the bullet, hope is the gun
And love is all we need
Now fear's on the run
We've already won
Now march with the band, raise your right hand

We've only just begun
It's the moment of truth, I'm counting on you
This army of two have only just begun
It's the moment of truth, I'm counting on you
This army of two have only just begun
