

I Have a Dream

ABBA

I have a dream, a song to sing, to help me cope with anything
If you see the wonder of the fairy tale
You can take the future even if you fail
I believe in angels, something good in everything I see
I believe in angels, when I know the time is right for me
I'll cross the stream, I have a dream I have a dream, a fantasy, to help me through reality
And my destination makes it worth the while
Pushing through the darkness still another mile
I believe in angels, something good in everything I see
I believe in angels, when I know the time is right for me
I'll cross the stream, I have a dream
I'll cross the stream, I have a dream I have a dream, a song to sing, to help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels, something good in everything I see
I believe in angels, when I know the time is right for me
I'll cross the stream, I have a dream
I'll cross the stream, I have a dream
