Jim Gordon

The Sheepdogs

It's all over right now
No use in wondering how
And don't you tell me where I belong
But my love is wrong, yeah
My love is wrong
And they keep telling me it gets better and it won't be long
My coat will fit you so well,
A sadness only I can tell
Now don't you tell me what's right from wrong
But I wrote this song
Yeah, I wrote this song
And they keep telling me it gets better and it won't be long
Yeah my love is strong, yeah,
My love is wrong
And they keep telling me it gets better and it won't be long
Telling me it gets better, it won't be long
Telling me it gets better, it won't be long
Won't be long
Won't be long
