# Vanity Case

## Iva FrÃ¼hlingovÃ¡

Do you like my hair
Do you like my shoes
These shallow promises shot through these eyes of blue
Do you like my mind
Do you even care
If there's anyone up there (yeah,yeah,yeah)Beauty beauty look at you
I wish to God I had it too
You're so pretty do you swing?
Guess you can't have everythingOh my soul, you're so beautiful, you're beautiful
Oh my soul, you're so beautiful, you're beautifulDo you like my hips
Do you lke my teeth
Hey, would you notice me if I walked down the street
A vanity case with a switch on smile
Is there anyone up there? (yeah)Beauty beauty look at you
I wish to God I had it too
You're so pretty do you swing?
Guess you can't have everythingOh my soul, you're so beautiful, you're beautiful
Oh my soul, you're so beautiful, you're beautiful
Oh my soul, you're so beautifulBeauty beauty look at you
I wish to God I had it too
You're so pretty do you swing?
(whistle) kiss me!Oh my soul, you're so beautiful, you're beautiful< br> oh my soul, you're so beautiful, so beautiful
Oh my soul, you're so beautiful, (comin' at you) you're beautiful
Oh my soul, you're so beautiful, (ha ha) you're beautiful (ha ha)
(ha ha)
(ha ha)(whistle)Get a load'a that!(whistle)Thank you!
