## Rudimental

You never gotta be that lonely
You never gotta get that alone
All you gotta do is call me
And I will never let you goYou never gotta be that lonely
You never gotta get that alone
All you gotta do is call me
And I will never let you goI will never let you go
I will never let you go
I will never let you go
I will never let you goI will never let you go, never let you go
I will never let you go
I will never let you go, never let you go
I will never let you go, never let you goYou never gotta be that lonely
You never gotta get that alone
All you gotta do is call me
And I will never let you goYou never gotta be that lonely
You never gotta get that alone
All you gotta do is call me
And I will never let you goNever let you go
Never let you go
Never let you go
Never let you go
Never let you go
Never let you goI will never let you go
I will never let you go
I will never let you go, never let you go
I will never let you goI will never let you go, never let you go
I will never let you go, never let you goAll you do is call me
You call me
And I'll never let you go
You call me
