Ready for You

Sloan

Never needed nobody
Never needed a girlI've been breakin' my own heart
I've been rockin' my worldJealous of myself
Up until I finally gotta
Load of you
Now you're the one I wantSo you gotta tell me
What I gotta do(So that I'm) Ready
I'm ready for youI'm ready
I'm ready for you
My life is so lonesomeNow I know you existWe could talk on the phone some
But I'd rather we kissedAlways lookin' inBut you showed me
How I could be lookin' out
I suppose you
For somebody elseShowed me what it's all about(I think I'm) Ready
I'm ready for you
I'm ready
I'm ready for youI'm beggin' my pardon
I guess I never knew
I've been lookin' for somethingSomething tells me it's you(I think I'm) Ready
I'm ready for you
I'm ready
I'm ready for you(I think I'm) Ready
I'm ready for you
I'm ready
I'm ready for you
(I think I'm) Ready
