Follow That Dream

Jenn Gambatese

Follow that dream, I got to follow that dream
Keep a-moving, move along, keep a moving
I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need
When your heart gets restless, time to move along
When your heart gets weary, time to sing a song
But when a dream is calling you
There's just one thing that you can do
I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need
Keep a-moving, move along, keep a moving

Got to find me someone whose heart is free
Someone to look for my dream with me
And when I find her, I may find out
Just what my dreams are all about
I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need
I've got to follow that dream wherever that dream may lead
I've got to follow that dream to find the love I need
Keep a-moving, move along
Keep a-moving, move along
Keep a-moving, move along
Keep a-moving, move along
