

# Follow That Dream

[Jenn Gambatese](#)

Follow that dream, I got to follow that dream  
Keep a-moving, move along, keep a moving  
I've got to follow that dream wherever that dream may lead  
I've got to follow that dream to find the love I need  
When your heart gets restless, time to move along  
When your heart gets weary, time to sing a song  
But when a dream is calling you  
There's just one thing that you can do  
I've got to follow that dream wherever that dream may lead  
I've got to follow that dream to find the love I need  
Keep a-moving, move along, keep a moving

Got to find me someone whose heart is free  
Someone to look for my dream with me  
And when I find her, I may find out  
Just what my dreams are all about  
I've got to follow that dream wherever that dream may lead  
I've got to follow that dream to find the love I need  
I've got to follow that dream wherever that dream may lead  
I've got to follow that dream to find the love I need  
Keep a-moving, move along  
Keep a-moving, move along  
Keep a-moving, move along  
Keep a-moving, move along
